### Our Centres in Madrid and Barcelona

Centrally located and well served by public transport, our training centres are equipped with all the facilities necessary to guarantee an effective and pleasant learning experience: comfortable furniture, natural light, air conditioning/heating and learning resources - DVD/video/TV, study material either printed or in CD format and access to Internet and e-mail.

**King's Training Madrid: Accredited by the Cervantes Institute**

In August 2007 we were awarded official status as an **Accredited Centre** by the prestigious **Cervantes Institute** for the teaching of Spanish as a Foreign Language. This accreditation endorses both the quality and professionalism of our teaching and our didactic programmes.

### Types of Courses

Our main objective is to enable our students to obtain, consolidate or perfect the language skills necessary to communicate effectively in Spanish in a variety of contexts: professional, academic and social. The courses are offered at all levels of the *Common European Framework of Reference for Languages*: **A1, A2, B1, B2, C1, C2**.

The Spanish programmes can be **extensive, intensive** or **residential**. All are offered in **groups** or as **one-to-one** classes.

- **Business Spanish Courses.** These are designed to cover the professional needs of the participants and are based on a wide range of relevant areas such as the language of meetings, presentations, negotiations, using the telephone, reports, business travel, etc.
- **General Spanish Courses.** These courses concentrate on the student's everyday communication needs, presenting and practising useful language for a variety of circumstances that the student will encounter on a daily basis.
- **Exams Preparation Courses: DELE (Diploma in Spanish as a Foreign Language)** from the Cervantes Institute and the **Business Spanish Examinations** from the Madrid Chamber of Commerce. We provide specific courses to prepare the different levels.
- **Spanish Virtual Classroom Courses (AVE)** from the Instituto Cervantes. This is an internet-based learning tool, offering Spanish courses from levels A1 to C2.
